Chairperson's Message

by Lori Pippitt

I hope everyone had a happy and safe 4th of July!

GREAT JOB, to the Remodelers Council of Lincoln members for placing our Council first in the National Membership Day in May. We are also currently second for the 2009 NAHB Local Council Growth Competition; each local council competes in their group size (we're in the large group size) for the largest net gain over their highest membership total in 2008. I feel very fortunate that we have so many long-term active members and have added valuable new members in the last few months, thanks for your continued support!

Registration is now open for the 2009 Remodeling Show to be held in Indianapolis October 27-30. Don't miss this GREAT opportunity to find out what NEW products are available or a chance to take in a few seminars. There is a wide variety of seminars available if you are interested. Check out www.theremodelingshow.com for the conference schedule-at-a-glance.

Once again, we have some fun activities planned for the August 14 Remodelers Golf Tournament at Hidden Valley. Check-in will be from 9:30 - 10:30 am with a Shotgun Start immediately following! We have some Awesome Raffle items this year, including a pair of skybox tickets to the Sept. 26 Huskers vs. Louisiana-Lafayette football game. Raffle tickets are on sale NOW and will be available at the Salt Dogs Game August 11, this is always a good family friendly meeting to attend!

Finally, NAHB has developed new resources along with updated information on the Lead Paint Regulations. PLEASE take the time to check out this information at www.nahb.org/leadpaint. This web site will be regularly updated and as information becomes available we will be letting you know, this new law affects any builder or contractor who does work on homes 1978 or older to include all trades. If you have questions please call the HBAL office!

Have a GREAT summer!
